A PARTY WITH A PURPOSE

Featuring the area's most accomplished chefs, brewers, wine purveyors and spirit vendors, **Taste! Central Florida** invites the community to enjoy an evening of tasting portions of signature dishes accompanied by fine wines, craft beers, & specialty cocktails.

This annual celebration of our community's culinary excellence is fueled by volunteers, with local chefs, brewers, and distilleries generously contributing their time, talent, and creations. It stands out as one of the year's major fundraisers for **Second Harvest Food Bank of Central Florida** and **Coalition for the Homeless of Central Florida**, creating profound awareness and relief for the children in our community grappling who face hunger on a daily basis.

Having **raised more than \$4 million dollars** for childhood hunger, the region's premier food and beverage tasting event brings a supremely delicious experience to our community, for our community, with a positively local flavor. The best part? All event proceeds will remain in our community to help connect struggling Central Florida families to the meals they need.

LOCAL EVENT. LOCAL CHEFS. LOCAL CAUSE.

ABOUT US

With an all-volunteer steering committee, over 300 day-of event volunteers, and steadfast support from local business partners, **Taste! Central Florida** not only contributes to a noble cause but also offers sponsors exposure to a diverse and engaged audience. By being part of this culinary celebration with a purpose, sponsors play a pivotal role in fostering awareness and relief for the children of our community. Don't miss the opportunity to make a lasting impact at this extraordinary event.

BENEFICIARY INFO

The funds raised by **Taste! Central Florida** provides more than 244,000 nutritious meals each year to those in need and funds childhood hunger relief programs to assist the 1 in 5 kids who are facing hunger in Orlando.

“For years Taste! Central Florida has been an incredible way to raise awareness and funds for one of the most critical issues in our community—childhood hunger. Thanks to the amazing support of our community, these funds have been able to make a huge impact on young shelter guests at the Coalition, who with their parents rely on us to provide them with healthy meals during their journey toward stable housing. On any given day, there are about **100 children** staying in our Center for Women and Families. Your generous support of Taste! Central Florida ensures that these children wake up to a nutritious breakfast and end the day eating dinner with their families, never worrying when their next meal will be. Thank you for making this possible.”

Allison Krall, President/CEO
Coalition for the Homeless of Central Florida

“Funds from Taste! Central Florida make it possible for Second Harvest to continue to provide **300,000 meals** to those who face uncertainty every single day. Thanks to the kindness, generosity, and support of our community, we can continue to close the gap on childhood hunger in Central Florida which unfortunately remains too wide at this time. Thank you for caring, and for helping to make this possible.”
